

STEREOTAXIS™

HIGHLIGHTED SESSIONS

7-9 April, 2024 | Berlin, Germany

Sunday 7 April 2023

08:30 - 09:30

STATE-OF-THE-ART MANAGEMENT OF ARRHYTHMIAS USING ROBOTICS

In collaboration with SCRN

CHAIRPERSONS: Dr. Tamas Szili-Torok
Erasmus University Medical Center - Rotterdam, Netherlands

Dr. Jan Janousek
Motol University Hospital - Prague, Czechia

LOCATION: Room 7

PRESENTATIONS:

08:30 Randomized Prospective Trials Comparing Robotic with Conventional Ablation: Who is Winning?

Dr. Laura Vitali Serdoz
Klinikum Fürth - Fürth, Germany

08:45 Robotics for Epicardial Ablation

Prof. Sabine Ernst
Royal Brompton Hospital - London, United Kingdom of Great Britain & Northern Ireland

09:00 The 'PVC Machine' Combining 3D Non-Invasive Mapping and Robotics

Dr. Anna Maria Elisabeth Noten
Hospital Onze Lieve Vrouwe Grasthuis - Amsterdam, Netherlands

09:15 New Energies in the Robotic World: PFA and Cryo

Dr. J. David Burkhardt
Texas Cardiac Arrhythmia Institute at St. David's Medical Center - Austin, United States of America

13:45 - 14:45

eCARDIOLOGY

CHAIRPERSONS: Dr. Linda Johnson
Lund University - Malmo, Sweden

Dr. Sing-Chien Yap
Erasmus University Medical Centre - Rotterdam, Netherlands

LOCATION: Agora

PRESENTATIONS:

14:36 Remote Magnetic Navigation for Catheter Ablation of Complex Arrhythmias in Congenital Heart Disease: An Initial Experience Using a Transnational Approach

Dr. Jack Griffiths
Royal Brompton Hospital - London, United Kingdom of Great Britain & Northern Ireland

STEREOTAXIS™

HIGHLIGHTED SESSIONS

7-9 April, 2024 | Berlin, Germany

Monday 8 April 2023

08:30 - 09:30

STATE-OF-THE-ART MANAGEMENT OF VENTRICULAR ARRHYTHMIA IN CHD PATIENTS

CHAIRPERSONS: Dr. Usha Tedrow

Brigham & Woman's Hospital - Boston, United States of America

Dr. Claire Martin

Royal Papworth Hospital - Cambridge, United Kingdom of Great Britain & Northern Ireland

LOCATION: Room 5

PRESENTATIONS:

09:15 Use of Robotics for PVC and VT Ablation in CHD: Dream or Reality?

Prof. Sabine Ernst

Royal Brompton Hospital - London, United Kingdom of Great Britain & Northern Ireland

10:45 - 11:45

LIVE-IN-THE-BOX - DIFFICULT PVCs: THE TIPS AND TRICKS THAT REALLY HELP

CHAIRPERSONS: Dr. Wendy Tzou

University of Colorado Anschutz Medical Campus - Aurora, United States of America

Dr. Josef Kautzner

Institute for Clinical and Experimental Medicine (IKEM) - Prague, Czechia

LOCATION: Room 4

PRESENTATIONS:

10:45 Live-in-the-Box - VPC: My Approach

Prof. Christian de Chillou

University Hospital of Nancy - Nancy, France

Tuesday 9 April 2023

08:30 - 09:30

NEW TECHNOLOGIES FOR THE CARE OF CHILDREN AND ADULTS WITH CONGENITAL HEART DISEASE

CHAIRPERSONS: Dr. Victor Waldmann

European Georges Pompidou Hospital - Paris, France

Dr. Susan Etheridge

University of Utah - Salt Lake City, United States of America

LOCATION: Room 5

PRESENTATIONS:

08:45 Telerobotic Collaboration for Catheter Ablation of Complex CHD Patients: An Initial Experience

Prof. Lukasz Szumowski

National Institute of Cardiology - Warsaw, Poland

EHRA 2024 | **7-9 April**
Berlin & Online
